

## References

We have been delivering high-quality goods and services since 1990. Our best reference is a long list of satisfied customers including many prominent Czech and foreign companies. We are very proud of their favour, which is a commitment for us at the same time.

Among our customers are:

- big cities as well as little municipalities
- companies providing road maintenance and repairs
- rentals of traffic safety systems and traffic signs
- companies in charge of horizontal traffic markings
- companies building and repairing highways
